Sir,

Subject - Acquisition of three vacant sites and one country tiled house in Chikkaballapet town for the formation of a road

I have the honour to forward herewith the file of records connected with the above received from the Sub Divisional Officer, Kolar vide his letter No. L.A.30 to 38/46 dated 30-10-46 on the above subject, and to state as follows -

Sanction of Government for the acquisition of the above-named properties was accorded in G.O.No.14626-32/III 14-10-23 dated 20-6-46 and the records were returned to the Sub Divisional Officer, Kolar for taking further action. But before any action could be taken by the Sub Divisional Officer, the Municipal Council of the town passed a resolution on 31-8-1946 to the effect that the acquisition proceedings in respect of these properties may be dropped in view of the fact that petitions were received from the public of that locality stating that the road will be useful to only 6 or 7 houses of the locality and that the Municipality has to spend more over other important works such as (1) the construction of a High School building, and the formation of new roads and drains in the new extension. The Tahsildar who inspected the locality has found out that the new road intended to be formed would be useful only to three persons and has reported in his report No.C.103/46 dated 20-9-1946, enclosed in the file, that the financial liabilities of the Municipality, has on the increase and hence recommended that the acquisition of these properties may be withdrawn and that the amount deposited or funded to the Municipal fund.

The Sub Divisional Officer, has supported the views of the Tahsildar and has recommended the withdrawal of the acquisition
